

## **HADLEY WOOD RAIL USER GROUP**

Hadley Wood Rail User Group exists to represent the interests of all Hadley Wood's rail users and to hold to account our train operator, GTR Great Northern, for safety, services and amenities at our station.

- *Are you ready to get back on track after the pandemic?*
- *Are you nervous about using public transport now?*
- *Are you confident about the covid safety measures on our trains?*
- *What would tempt you back?*
- *Do you know you can get to central and south London just on GTR trains?*

**Join our next Zoom meeting on Thursday 18<sup>th</sup> November at 7.30pm with GTR's Head of Real Time Information, responsible for passenger communications, especially at times of disruption, and our MP, Bambos Charalambous.**

**This is your chance to air your concerns and get some answers.**

**Everyone is welcome to join HWRUG** and add more weight to our campaigns – it's free and there's no obligation.

**This year's major achievement is the delivery of a fully accessible toilet on Platform 4, Hadley Wood's only public convenience.**
