

## **Hadley Wood Watch**

### **Update for the HWA AGM 2021**

We are pleased to report that, from small beginnings in 2017, Neighbourhood Watch (NHW) now covers all roads – major and minor – in Hadley Wood.

Hadley Wood Watch (HWW) coordinates the activities of NHW in Hadley Wood ensuring that, via WhatsApp, residents are both informed, and listened to, about crime and security matters. As such we have the most effective community network in the whole of Enfield Borough.

The Hadley Wood Watch Coordinators WhatsApp group includes the Cockfosters Local Police team, and Hadley Wood Security and MLB, thereby ensuring a proactive integration of crime prevention activities in Hadley Wood.

Never complacent, Hadley Wood Watch is always striving to recruit those remaining residents who are not yet members.
