

HADLEY WOOD  
JEWISH COMMUNITY

5<sup>th</sup> November 2011

### Hadley Wood Jewish Community Update for the Hadley Wood Association

As with everyone, the past 18 months has been a challenging time. None more so that for our new Rabbinic couple, Akiva and Batya Rosenblatt, who joined us just as the pandemic began.

Many of our activities and events moved on-line for several months, but we are now pleased to say that services have resumed and that the synagogue has been configured to provide a Covid-safe environment.

During the pandemic we have focussed additional effort into keeping in touch with the older members of the community as well as providing food and other essentials for those in need.

Please feel free to contact me if you would like to know more about the Jewish community in Hadley Wood.
