

The Flying Scotsman

We'll be leaving King's Cross Station, very soon
We'll be leaving King's Cross Station, very soon
Making sure we're ready
Even got our teddy!
Leaving King's Cross Station very soon.

It's the Flying Scotsman train, we'll be on
It's the Flying Scotsman train, we'll be on
Sighing at her splendour
Nigel Gresley's tender!
Flying Scotsman train, we'll soon be on

Guards whistling all aboard now, quick jump on
Guards whistling all aboard now, quick jump on
Leaving London City
Really it's no pity
Whistling all aboard now quick jump on!

Travelling 4472, yi-pee
Travelling 4472, yi-pee
Hundred miles per hour
Oh what power!
Travelling 4472, yi-pee!

We're now flying further northwards, very fast
We're now flying further northwards, very fast
Hadley Wood's gone by us
Waving doesn't tire us
Flying further northwards very fast

We're now leaving old York station far behind
We're now leaving old York station far behind
Dining has been lovely
Drank lots of bubbly
Leaving old York station far behind

We're now passing over hill and over dale
We're now passing over hill and over dale
See now through the clearing
Scotland is appearing!
Passing over hill and over dale

We're now arriving at Edinburgh town
We're now arriving at Edinburgh town
I will still remember
Flying Scot's splendour
When I'm old. She does deserve the crown!
