Our station's step free entrance is a direct result of campaigning by Hadley Wood Rail User Group (HWRUG).

If you would like to be among the first to know about developments in train services and amenities for rail users at this station, and to help influence them, we invite you to join HWRUG. Membership is free and you'll find the form on our website at www.hadleywood.org.uk/rail-user-group

Passengers needing step free access to travel south towards London Kings Cross (a fully step free station) are authorised to travel via Potters Bar station on the outward journey without additional fare. We suggest you keep a copy of this timetable with you.

NB This authorisation applies only to those who need to travel via Potters Bar to go south, and their travel companions: it does not allow them to exit or break their journey at Potters Bar.

Please always **TAP IN AND OUT** on the Oyster machines on the platform to ensure that your journey is recorded here at Hadley Wood.
