SPRINGTIME HOPES

Dear Members

We live in a beautiful area with woods and green spaces all around us, and gardens a pleasure as we enjoy “peak daffodil”, magnolia displays and birds in song. Spring renews hopes for peace and cooperation in the wider world and locally when issues arise. We see so much community spirit in Hadley Wood and charity support.

Our local environment depends on community efforts. The fight to preserve our Green Belt continues and we hope the Planning Inspector accepts our strong case. Hadley Wood Golf Club, owned and run by members, maintains its large course and the adjacent open field. St Paul’s has its lovely setting with its fine old trees. The Beale Arboretum at West Lodge Park is a wonderful collection with a large variety of species and open to visit. The Monken Hadley Common Trust (run by volunteers) looks after the Common including the extensive Hadley Woods - the new ponds and paths through from Parkgate are a real amenity as well flood risk improvement.

Last but not least, our HWA manages our green spaces either side of the railway and through to Waggon Road as well as HWA Centre. The support of our members is vital to cover the costs, through subscriptions and clubs - and charitable events including Fireworks. We are delighted that we have started Jazz@HWA on a Sunday afternoon - a great success (see article). We look forward to promoting more music events - please give us your ideas.

Our promotion of community activities at HWA Centre (and Bartrams Lane Field) continues. Tennis and Football are thriving (but always looking for more members); Mount House School continue to use us as their sports field ; Bridge are resuming in person. Alphablocks has consolidated its role as our preschool and playgroup. Hall hires for parties and other events are a great part of the HWA Centre: a successful venue and important revenue for HWA (member discounts). Please let us know if you want to use our facilities regularly or occasionally. Sometimes these involve choices. Our latest move is to support an enthusiastic resident (Ellis Charalambous) setting up Greek Dancing “Spatsa” here as a new shared user Club at the end of April; this replaces Karate.

We are facilitating a meeting at the Centre on at 7pm on 6 May for the involvement of Hadley Wood Security scheme members as, following a regular review and tender process, the patrol provider has been changed to 1st Security Ltd from 1 June. (HWS Members wishing to attend must pre-register by sending your name and address to info@hadleywoodsecurity.com). We extend our thanks to MLB for their several years protecting Hadley Wood, and to the directors of HWS, now in their third decade as volunteers of a (not for profit) organisation of community safety.

Spring reminds us of our growing families, out and about enjoying the sunshine and new life. Sadly, residents pass away. I wish to mention two recent deaths - each great characters, making their contributions to the community locally and wider: Philip Caine and Robert Feld. We send condolences to their families and join with many in celebrating their lives.

Station Cuttings: A new face in the Ticket Office

This is Mike, our new Station Assistant, who comes to us with 42 years of experience on our line, all the way from British Rail to GTR Great Northern. He knows Hadley Wood of old and remarked that it's always been a friendly station, so please go and say hello. He's a mine of information on ticketing and also a dab hand at ticket machines, so don't hesitate to consult him for expert advice on journey planning.

Mike is at the Ticket Office every weekday between 0630 and 1000. While here's here, the toilet on Platform 4 is also open.

The Ticket Office becomes the base for the local Mobile Assistance team on weekday afternoons between 1600-2000.

Anyone can book assistance using the **Passenger Assist app**. Their presence here enables the **toilet to be additionally open** then too, although if they're called away to help a rail user then it will be temporarily closed.

Our Station Manager Cynthia has also returned to work after the birth of her baby so the station is in good hands as it approaches its **140th birthday on 1st May**.

Another milestone this year is the **200th anniversary of the first rail passenger journey** and over 700 celebratory events are already being planned across the country. Look out for the Railway 200 logo and check out the website www.railway200.co.uk, especially if you're taking a staycation in the school holidays.

And you never know – you might spot a vintage train running through our station on the East Coast Main Line, as HWRUG member Mike Cowan did on 11th March!

Finally, if you're travelling late at night in April, please [check ahead](#) in case **rail replacement buses** are in plan, especially in the weeks of 14-18 and 20-25 April. Don't be caught out!

The Club has an exciting Spring programme in place, with sessions and camps to suit all tennis players. Please see the below flyer for details of our forthcoming Easter camps for children. We are offering an array of lessons tailored to all ages and abilities. Whether you are a seasoned player looking to fine-tune your skills or a complete beginner wanting to give tennis a try, we've got you covered.

Choose from engaging sessions like 'Cardio Tennis' for a great workout, 'Rusty Rackets' to help you rediscover your love for the game. or **beginner classes** to build confidence on the court. For those looking to push their limits and skillset, our team training sessions will sharpen your competitive edge.

Adding to the excitement, **the first Saturday of every month** will feature a fun-filled **Cardio Tennis session**, from 1pm-2pm, where the whole family can enjoy an active session together. In addition to this, we will run **2 specialised clinics** each quarter to help you master a specific shot. Both of these events are open to members and non-members, making it a great way to connect with friends, family, and the wider community. Please check our website for details.

We are always looking for new members and we are keen to hear from anyone who would like to join us. Our membership year runs from 1st April. The Tennis Club membership offers excellent value for money for all the family.

The New Year also brings further structural improvements at the Club as we replace our old flood-lights with new LED lights. We are a small club and it takes time to raise sufficient funds to make large changes to the tennis infrastructure such as this but, rest assured, we are dedicated to improving and enhancing our facilities whenever we can. We hope that this investment, coupled with our regular maintenance contract, will continue to keep our courts at a good standard for the foreseeable future.

Don't miss out on the opportunities our club has to offer; come and be part of our welcoming tennis club this spring.

Enfield Council – draft Local Plan 2019-2041

The first set of public hearings on the Council's new draft Local Plan took place from 22nd to 30th January. We attended every day of the hearings to represent Hadley Wood's interests and explain why the fields off Crescent West should not be built on.

The initial hearings mostly covered high level process issues and legal compliance, but were important as the independent examiner had - and still has - concerns whether the Council have been compliant. If he deems them to have been non-compliant, then he could require the Plan to be redone. At the moment it looks like the Plan will be allowed to proceed to the site-specific hearings, which are unlikely to start before June.

The Greater London Authority / Mayor of London and Transport for London continue to express significant concern about the Council's proposals, especially for the proposed developments on current Green Belt land.

We'll keep you posted via this newsletter and emails, as well as our website – www.hadleywoodnp.co.uk – so watch this space.....

Football in our Community - PHA Hadley Wood

As the season finale fast approaches, we take a moment to reflect on another incredible year at Bartrams Lane, one filled with growth, passion, and unforgettable memories. PHA Hadley Wood continues to thrive, welcoming more players to our U9 to U18 teams. With increased participation, we've been able to provide even more children with the opportunity to play, learn, and develop both on and off the pitch.

Football at Bartrams Lane is more than just a game; it's a way of bringing people together. Every Sunday, the pitches transform into a hub for families, friends, and supporters, creating a strong and welcoming community spirit. Whether it's the roar of a last-minute winner, the cheers from the sidelines, or the friendships built along the way, this club continues to be a place where lifelong memories are made.

Accessibility remains at the heart of what we do. Our commitment to providing a welcoming environment means that players of all backgrounds and abilities can enjoy the game, develop their skills, and experience the joy of football. The use of the pitches has been the anchor of ensuring that Bartrams Lane remains a space for everyone.

This season, we have celebrated success in many forms, individual growth, team triumphs, and the continued strengthening of our football family. With every goal scored and every challenge overcome, we reinforce our mission to provide a platform for young players to develop their love for the game.

As we look ahead to growing the game at the grassroots level, increasing accessibility, and making sure that Bartrams Lane continues to be a place where football, community, and passion come together.

**We are recruiting players from U9 to U18 for next season.

JAZZ@HWA

On the afternoon of Sunday, 23rd March, a steady stream of people arrived at the Hadley Wood Association Centre for a performance by a quartet of young jazz musicians. Many had purchased tickets in advance, while others paid at the door. Out of a possible 91 tickets, 87 were sold, making this a well-attended and highly supported event. The bar, run by members of the Hadley Wood Lawn Tennis Club, was open, and guests enjoyed a complimentary drink before the music began. Lively conversation and laughter filled the room as people reunited with old friends and made new ones.

Just before 3:00 pm, we were called into the hall, where Francesca Caine introduced the Lior and Noam Solomons-Wise Jazz Quartet: Lior on piano, Noam on drums, Ben Boardman on double bass, and vocalist Sylvie Noble. These talented young musicians treated us to a programme of well-known jazz standards. Lior's pianistic skills shone through his elegant accompaniments, seamless improvisations, and effortless blend with the quartet. Noam provided superb polyrhythms, maintaining the drive at the heart of the group, never missing a beat, while also delivering impressive improvised drum solos. Ben's rich bass lines, reminiscent of a Bach continuo but in jazz style, anchored the group beautifully, and he too showcased excellent improvisations.

Sylvie captivated the audience with her silky voice, wonderful improvisation, wide range, and warm, expressive interpretations. She communicated effortlessly with both the musicians and the audience (as did the other musicians), exuding confidence and charm. Lior is a fourth-year jazz performance student at Guildhall, while Noam, Ben, and Sylvie are postgraduate jazz performance degree students at the Royal Academy of Music.

The audience was thoroughly engaged, demanding an encore, which was met with enthusiastic and sustained applause. It was a hugely successful event — the first jazz performance for HWA — and we hope to welcome the quartet back for another concert if the community desires

We extend our gratitude to Creature Comforts for sponsoring the event and wish them every success with their new veterinary clinic on Barnet High Street.

Mary Beale Restaurant unveils vibrant spring menu with local flair

The Mary Beale Restaurant, located within the elegant West Lodge Park Hotel in North London, has unveiled its vibrant spring menu, showcasing a commitment to fresh, locally sourced ingredients. This season's menus feature a balance of vibrant spring vegetables, tender meats, and the freshest seafood, promising an exceptional dining experience.

Starters include a handpicked crab, fennel, and avocado cocktail, as well as grilled asparagus with a crispy hen's egg and pancetta. For the main course, highlights include grilled wild halibut with saffron potatoes and samphire, and hand-rolled vegetarian gnocchi with courgette ribbons and confit tomato sauce. Classics like corn-fed chicken ballotine and monkfish Keralan curry remain on the menu, while new additions cater to both loyal patrons and newcomers. Dessert options range from baked chocolate tart to strawberry and pineapple cheesecake, with a selection of British and European cheeses for a savoury finish.

Executive Chef Wayne Turner emphasises the restaurant's dedication to seasonal dining: "Very few restaurants introduce new menus every quarter, which is why we've remained a popular destination. Our dishes reflect the time of year, using fresh, simple, and classically prepared ingredients." He adds, "A visit to our restaurant is the perfect way to reawaken the senses after a long winter."

The hotel has also launched a Spring Market Menu, available for £31 for three courses, featuring standout dishes such as red mullet fillet. For VIP Club Beales members, an exclusive dining experience is on offer at £65 per couple, which includes a two-course meal, a bottle of house wine, coffee or tea, and petits fours.

The Mary Beale Restaurant is open daily, with bookings available via phone or email. This spring menu, with its local flair and seasonal focus, is a must-try for those seeking a refined and fresh dining experience.

GREEK DANCE

COMING SOON TO HADLEY WOOD!!

Spasta Greek Dance – *Break Free, Dance with Joy*

At **SPASTA**, we believe that dance is more than movement—it's a way to **break free** from life's stresses and reconnect with joy, culture, and tradition. Inspired by the Greek word "**Σπάστα**", meaning "**break free**" or "**let loose**", our academy embodies the spirit of release, energy, and passion that defines Greek and Cypriot dance.

Rooted in the rich traditions of **Hellenic and Greek Cypriot dance**, we offer a space where students of all ages can immerse themselves in the rhythms of Greece and Cyprus. From the powerful, defiant steps of the **Zeibekiko**, to the joyful leaps of the Kalamatianos, and the communal unity of the **Zorbas**, every movement tells a story—one of heritage, resilience, and celebration.

At **Spasta Dance Group**, we encourage our dancers to **leave their worries behind, embrace the music, and dance with their heart**. Whether you're new to the culture, a beginner or an experienced performer, our classes are designed to uplift, inspire, and connect you to the timeless beauty of Greek and Cypriot dance.

Currently based in the HWA Centre with the support of Hadley Wood Association. Our lessons begin on Monday 28th April. Classes will run from 7-9 pm every week and our classes cater to all ages from 4+. We also offer private 1-to-1 sessions!
