A RECAP OF 2024 – LOOKING FORWARD TO 2025 & THE BIG GREEN EXAMINATION

Dear Residents

We had a successful 2024 including the Fireworks in November and Xmas on the Parade in December featured in our centre pages.

Events at the Centre are gearing up for 2025, with our monthly Warm Hub calendar published. We have an exciting new venture **JAZZ@HWA** on **Sunday 23rd March** - see details on pages 4 & 5. Planning for our major Fireworks (Sunday 2 November) has begun but we need more organisers and marshals - please contact us soon if you are interested to volunteer.

The campaign to Save Our Green Belt is now at the vital stage of the Independent Examination of Enfield's Draft Local Plan. Our main representation is through HW Neighbourhood Forum; they have been actively involved on your behalf in the volume of developments and details leading up to the current first round of hearings and attending to speak up for the community. I joined them for the Green Belt session with the opportunity to speak against the proposal. There are big battalions against us but the Inspector seems professional and independent and is giving the Council some searching questions. We remain hopeful of success.

At HWA, thanks to Committee members Dawn Wellings and Lisbeth Wirth, we have put up fresh notices at the Centre, the Car Park and round the Grounds including our Waggon Road entrance. These notices are reminders of our rules and byelaws: all use is at own risk (including ice) on paths as well as in the car park. The Car Parking restrictions are clear (members only, displaying permit; no commuters); this is for the safety of those using the car park at busy times as well as reasonably requiring help with upkeep through subscriptions. Litter is a recurring issue, but we hope this is being managed successfully.

We invite more activities at HWA Centre in addition to party hires: possibilities are Greek Dancing, book swaps (and reading groups), charity collections, youth activities. Weekday evenings for the small hall are available, as well as the full Centre at weekends.

This HWN edition has some of the community news but there is much more going on - please give us your contributions for the next (April) or later editions. We again give huge thanks to Gill Henley who has been managing HWN over the last two and a half years; please see below our advert for a replacement as she wishes to hand over. She will give the newcomer all assistance.

Robert Wilson
For HWA Trustees.

We need some help with producing future copies of the Hadley Wood News. We need someone who can put together the words and pictures we receive to make up the pages to send to our printers. Most of the adverts just need to be arranged amongst the pages of the magazine.

We produce the magazine 6 times a year, approximately every 2 months.

If you can help or would like to know more please get in touch by email to office@hadleywoodassociation.com

NEXT EDITION OF HWN:

We publish the Hadley Wood News every other month. For HWN April 2025 we aim to deliver around 5 - 6 April. **We will need contributions and adverts by 13 March.**

Please send to the HWA office@hadleywoodassociation.com

Hadley Wood Association Warm Hub

The Warm Hub got off to a fine start in January welcoming back our regulars and a number of new faces which is always great to see.

We meet once a month in the Hadley Wood Association bar area -and provide a warm welcoming space for our community to meet over a cuppa and a piece of cake .

If you are yet to join us -please join us in February - you will be guaranteed a relaxing few hours and a really warm welcome.

or subject to availability at the door on the day of the event.

If you require any other information please contact us by email:

events@hadleywoodassociation.com or by mobile phone 07778 341 843 this phone will be with one of our volunteers. If we are not able to answer it please leave a message and someone will get back to you asap.

We look forward to seeing you for an enjoyable Sunday afternoon of Jazz and meeting members of our community.

The event is being sponsored by Creature Comforts the new vet clinic in Barnet High Street.

Creature Comforts, opening 5th March brings a better vet experience to Barnet! With the well-being of pets, the happiness of pet parents, and the fulfilment of vet teams in mind, we're reimagining the whole vet experience from the ground up.

Our All Access membership offers unlimited vet consultations, annual vaccinations, 10% off routine treatments (and more!) for just £20/month. Not quite right for you and your pet? No problem - you can always pay-as-you-go too.

Our membership numbers are capped to guarantee each pet the attention they deserve in our stunning, state-of-the-art clinics - designed to be calming for pets and comfy for humans. We're open 7 days a week, and you'll always be greeted by the same friendly faces every time you visit.

Put simply, we've worked hard to remove the barriers to quality vet care so you never have to think twice about chatting to your vet team or popping in to see us.

You'll find us at 204 High Street, Barnet, EN5 5SZ, open Monday - Friday 8:30am - 7pm, Saturdays 9am-5pm, and Sundays 10am - 5pm. For more information visit creaturecomforts.co.uk, email at

Station Cuttings: Celebrating 200 years of passenger transport

A Happy New Year to all: the Year of the Snake if you're Chinese; and the year of Railway 200 if you're a rail aficionado. 27th September 2025 sees the 200th anniversary of the dawn of rail transport when Locomotion 1 pulled 150 people in rail wagons from Stockton to Darlington. Some 40,000 turned out that day to witness this global first. Did you know that time only became standardised across the country thanks to the development of the rail timetable?

Railway 200 is a year-long nationwide campaign to celebrate 200 years of the modern railway and inspire a new generation of young pioneering talent to choose a career in rail, and it invites community, rail and other groups to get involved. It presents us with the opportunity to explore the railway history of Hadley Wood, mark the 140th birthday of our station in May and enjoy the many events happening across the country.

I had a sneak preview of the Railway 200 plans back in August when I visited [Hopetown Darlington](#), the station built on the original route in 1842 and recently transformed into the home of a vast collection of vehicles, archives, art, costumes, ephemera and furniture. It showcases the history of the railways from 1825 in England's North East where passenger transport was born. The main shed is full of wonderful machines and the exhibits benefit from the latest technology. Here's my photograph with the original Station Master – who was actually a hologram! **Hopetown** is free and highly recommended for young and old alike.

If you're interested in getting involved with **Railway 200** or have an idea for a celebratory event for Hadley Wood, please contact the Rail User Group on hadleywoodrailusergroup@gmail.com.

Enfield Council – Draft Local Plan 2019–2041

The first set of public hearings for the Council's new Draft Local Plan are taking place as we write this update (22–30 January 2025). Currently they mostly cover high-level process issues and legal compliance, which holds significant importance as the Independent Examiner has flagged potential issues that might necessitate a complete revision of the Plan.

At the moment it appears that he will allow the Plan to progress to site-specific hearings (which is our preference, as then it will be examined under the 2023 NPPF planning framework, which affords greater protection to the Green Belt), which are scheduled to take place in a few months.

Nevertheless, this process remains very uncertain, especially as the Greater London Authority/Mayor of London and Transport for London continue to express serious concerns about the Council's proposals, particularly regarding the proposed developments planned on current Green Belt land.

We are attending the hearings to represent Hadley Wood's interests and to explain why the fields off Crescent West should not be built on, but remain Green Belt. Updates will be shared through Hadley Wood News, email communications and our website www.hadleywoodnp.co.uk. Stay tuned for further updates.....

Xmas Cheer on the Parade 2024

A beautiful 'Bright and crisp and even...' morning on the parade, bubbles flowing, mince pies crumbling, voices ready!

It was a wonderful turnout with some exceptional and enthusiastic carol singing with harmonies!

A glorious morning of rejoicing, the Hadley Wood community coming together, sharing greetings and conversation and, of course, raising money for Noah's Ark Children's Hospice.

The children were overjoyed with the balloons and badges and the adults proudly sported their Noah's Ark support sticker.

We were fortunate enough to have Nikki Bennett, a Noah's Ark ambassador, who gave a lovely speech about the Ark, how they help the children and their families at the Ark and in the community and the £6 million a year they need to provide their services.

We had deposited collection boxes at each of the shops on the parade a few weeks leading up to the event and had collected more donations on the day.

HEARTFELT THANK YOUS:

- ◊ HWA who sponsored the bubbles and mince pies which were an absolute treat
- ◊ Limes for their delicious cake offerings
- ◊ HWA committee members - Gill, Lisbeth, Tony, Robert, Liz - who assisted with collecting donations, serving prosecco and mince pies, manning the stall and general support
- ◊ Rev Dr Sam, the carollers and to those who participated with joyful carolling
- ◊ The Hadley Wood Community and all the shops on the parade who collectively raised money for Noah's Ark Hospice
- ◊ Aaya Nader, Nikki Bennett & Laura Grundy at Noah's Ark for their hospitality with Kim Ioannides, Harry Shah & Helen Touli from the HWA Committee

The Three Tuktukteers

In December 2024, 108 participants from the UK, Kenya and Canada embarked on a challenge and journey of a lifetime. One of those was my team and I, calling ourselves The Three Tuktukteers. (Tarang Shah, Mehul Patel and Dipali Shah)

My name is Dr Dipali Shah and I have lived in Hadley Wood for the past 10 years. I work under Royal Free at Chase, Edgware and Barnet as a Speciality Doctor in Maxillofacial Surgery. I have been part of the children's charity since I was 6 yrs old in Kenya and then here since I was 10 yrs old. I am part of the executive committee now on the charity leading community outreach roles and help organise events. Mehul and Tarang are also both part of the charity with Mehul being with me also on the EC and lives close by in Southgate. Tarang also volunteers in the charity and lives in Stanmore.

We spent 14 days on the trip out of which we drove a tuk tuk from the south tip of India (Rameshwaram) to the West of India (Bhuj, Gujarat) covering 3000km over 12 days.

We are part of a children's charity called Shishukunj where we expose children from 2.5yrs to 18yrs to Indian culture, its values and beliefs whereby we develop them into positive citizens in society.

The tuk tuk trip itself was a challenging adventure where we learnt how to drive a tuk tuk and then embarked on a journey over different road conditions. Sitting for 6-7 hours and covering 200-250km a day was a daily occurrence.

We had minimal training on the 13th Dec on how to drive a tuk tuk and by the 14th we were on the road. The town driving was the most difficult. It took a few days of building up our confidence to really get the hang of it and different road conditions made this all a challenge. We had to deal with bumpy roads, gravel tracks, traffic where it was stop start, pot holes which really made the two sitting at the back jump and massage their bums!!!

The worst was the public buses on the roads, which stopped for no one and never gave way. They were known to be the worse drivers in India.

Having early starts every day and driving almost 200-250 km did really challenge everything including our alertness to deal with situations and also the weather initially was warm most of the time. As we drive further north, into Gujarat it got colder in the mornings. Having an open vehicle with no closure really gave us all the elements including wind and rain!

The bonds we made with each other within our own tuk tuk was immense as we trusted each other with our lives. We knew how each other thought, even to the extent if one wasn't happy!!!

This also meant the bonds we made with the others on the trip was also unique as we all had different experiences which we shared over a "cutting chai" on the road or a sugar cane juice on the road! Having similar experiences made us all a team of drivers willing each other on.

We drove 3000km with 36 tuk tuks and 4 support vehicles on tow. We even had the Atul mechanics who had been part of the manufacturing of the tuk tuks with us and it was a god send as they maintained the tuk tuks at night and solved any issues in day time.

We went to a girls' school funded by one of the other charities we support in Sayla, Gujarat and the response was electric. They were so excited to see us and we saw the benefit of education.

Our final destination was the Shishukunj International School, Bhuj in Gujarat which is what we raised funds for and still are as we need to get an overall target of 1.2 million to build the two hostels for boys and girls and a teachers' training facility.

We spent some time with the children of the school , planted trees as part of the trip and placed soil in the foundation for the hostel and training facility. We were really impressed with the level of academic ability as well as knowledge of the Children with a very good level of English.

Our Motto is 'Gamat Saathe Gnaan' in Shishukunj which simply means Knowledge through Play. Our ideology is of holistic development and not just academic as creativity really grows a mind.

Our own target we set on our page is £9000 and we are 90% there.

If anyone would like to donate to this truly wonderful cause, our just giving page is

https://www.justgiving.com/page/thethreetuktuktees?utm_medium=fundraising&utm_content=page%2Fthethreetuktuktees&utm_source=copyLink&utm_campaign=pfp-share

Every little counts.

Overall the adventure was challenging but we really put our minds to it. We learnt how to drive in India which in itself is a task and made many memories and friends on the way.

Please find us on Instagram on dipali_dips_shah as three tuktuktees and Shishukunj safarnama pages.

Thanks Dipali, Mehul and Tarang

Looking back at Christmas at St Paul's 2024

I hope you enjoyed driving up Camlet Way this December being greeted by the big word **JOY** on the church corner? backed by the new church lights and its Christmas tree?

We had many **JOYous** occasions in church - none more so than baby Jesus arriving on a zip wire in our Nativity Play!

We also greatly **enJOYed** our visiting children as the Hadley Wood School children sung their Carols, both Alphablocks groups performed their Christmas plays, and then on Christmas Eve many families **enJOYed** starting their Christmas festivities with three and even four generations gathering together for one of our Christingle Services!

It was so lovely seeing the previous 'teenagers of Hadley Wood' now returning with their own small children, toasting a marshmallow over the fire pit before they returned home to hang up their stockings.

The adults were not forgotten- many of us **enJOYed** making Christmas wreaths for our front doors; (although mine didn't add to my postman's **JOY** as it rather obstructed the letter box!)

Earlier in December visiting musicians had also provided a most **enJOYable** evening concert telling the Christmas story. By the Christmas Morning arrived we realised how many opportunities we had had to understand that Jesus Offers You – **JOY**.

On the Sunday before Christmas we had a wonderfully **JOYful** Carol Service with help from several of the musicians from Christ Church Cockfosters supporting our own choir, singing both traditional and newer carols.

For more **JOY** in 2025 do join us at 10.30 on any Sunday morning.
